

Help Advance Research in Just 4 Easy Steps:

STEP 1:

Contact the NIGMS
Repository at:
NIGMS@coriell.org

STEP 2:

Receive a sample collection
kit in the mail, along with
collection instructions.

STEP 3:

Contact your child's
doctor (pediatrician or
dermatologist) to collect the
appropriate sample.

STEP 4:

Mail the collected sample and
included paperwork using the
prepaid shipping label.
