

# SUPPORT LIFE-CHANGING RESEARCH INCREASE VISIBILITY FOR YOUR BUSINESS BECOME AN AUCTION SPONSOR

JUNE 30, 2024 • SALT LAKE CITY, UT

As a parent of a child with Cerebral Creatine Deficiency Syndrome (CCDS) and board member for Association for Creatine Deficiencies (ACD), I am reaching out to kindly request your assistance in making our upcoming Champions for a Cure Gala a resounding success.

The Association for Creatine Deficiencies is hosting its biannual gala on June 30th, 2024, in Salt Lake City at The Little America Hotel. This event serves as a vital fundraiser for our organization, enabling us to continue our life-changing research, CCDS education, newborn screening advocacy and provide support to individuals and families affected by Creatine Deficiencies.

One of the highlights of our gala is an auction, where attendees and virtual supporters have the opportunity to bid on a wide array of items and experiences generously donated by businesses and individuals like yourself. These auction items play a crucial role in helping us raise funds to further our mission.

We are reaching out to request donations of items or experiences that could be featured in our auction. Whether it's a unique product, a gift certificate for your services, a memorable experience, or any other contribution, your support would be immensely appreciated. This donation will not only contribute to making our gala a success, but it will showcase your commitment to making a difference in the lives of children affected by CCDS.

If you are able to contribute, please let us know by May 1, 2024 via email or the attached form so we can make the necessary arrangements for collection and acknowledgment of your generous donation. We will proudly display any promotional materials you provide alongside your donation at the event. In addition, your contribution will be acknowledged in our annual report and via a social media post.

Thank you in advance for your consideration and support. Together, we can make a meaningful impact in the lives of children and families like mine, affected by Creatine Deficiencies. If you have any questions or require further information, please do not hesitate to contact our Gala Organizer, Kelsie Nolan, at [kelsie@creatineinfo.org](mailto:kelsie@creatineinfo.org).

With hope and appreciation,
