

Your Business & ACD. Inspiring Change, Together.

2024 CCDS INTERATIONAL SYMPOSIUM & GALA

June 29 & 30, 2024 | Little America Hotel | Salt Lake City, UT

ACD is a parent-led rare, neurodegenerative disease non-profit on a mission to find a cure for creatine deficiencies (CCDS).

Support for our 2024 Symposium allows us to continue to fund life-changing research and unite our community in advocating and advancing actions that can lead to a cure or treatment.

YOUR SPONSORSHIP CAN...

\$1000 - LOCAL SUPPORTIVE SIDEKICK

Provide educational conference materials for attendees.

\$2500 - LOCAL EVENT CHAMPION

Supplement a rare disease family's expenses for attending the conference.

\$5000 - LOCAL EVENT CRUSADER

Support travel for one young investigator to attend and present at the conference.

AS A SPONSOR YOU WILL...

-  Supercharge your visibility in front of an international consortium of clinicians, researchers, policy makers and CCDS families.
-  Show your community how much you care about children battling a rare, neurodegenerative disease.
-  Make important connections that can elevate your business, both in person and online. Network with industry professionals, such as our university research and clinical partners listed below.
